

PROGRAM OUTLINE SNAPSHOT

TRAIN THE TRAINER (TTT Program)

Empower Trainers.
Elevate Training.
Transform Learning.

A practical program that equips participants with the skills, tools, and confidence to design, deliver, and evaluate impactful training that drives knowledge, behavior change, and business results.

 BUILD TRAINING MINDSET & FACILITATION SKILLS

 DESIGN ENGAGING & IMPACTFUL LEARNING

 DELIVER EFFECTIVE & INTERACTIVE SESSIONS

 MANAGE LEARNER DYNAMICS & DRIVE ENGAGEMENT

 EVALUATE LEARNING & MEASURE IMPACT

 BECOME A CONFIDENT, CREDIBLE & INSPIRING TRAINER

Build Training Excellence

Develop end-to-end training skills to deliver high-quality, impactful programs.

Engaging Delivery

Learn facilitation techniques to engage diverse learners effectively.

Stronger Learning Impact

Design learning experiences that drive application and results.

Boost Confidence

Build confidence to handle any training situation with credibility.

Measurable Outcomes

Use evaluation tools to measure learning effectiveness and business impact.

Create a Training Culture

Develop internal trainers and foster a culture of continuous learning.

PROGRAM MODULES

01

Foundation of Training

- Role & responsibilities of a trainer
- Training mindset & professional ethics
- Adult learning principles
- Characteristics of effective trainers

02

Design Effective Learning

- Training need analysis
- Learning objectives & outcomes
- Instructional design & lesson planning
- Content structuring & sequencing
- Selecting methods & media

03

Deliver Engaging Sessions

- Facilitation skills & presentation techniques
- Voice, body language & storytelling
- Using visuals & training aids
- Managing time effectively
- Interactive techniques & activities

04

Manage Learning Dynamics

- Building rapport & creating a positive climate
- Handling questions & challenging behaviors
- Encouraging participation & collaboration
- Dealing with difficult situations
- Virtual & hybrid training tips

05

Evaluate & Improve Impact

- Kirkpatrick model & evaluation levels
- Designing assessments & feedback tools
- Measuring training effectiveness
- Continuous improvement of training
- Personal action plan & practice

WHO IS THIS FOR?

Professionals, subject matter experts, team leads, and aspiring trainers who want to build training skills and deliver impactful learning experiences.

DURATION

3 to 5 Days
(Flexible Based on Organization Needs)

LEARNING APPROACH

- Interactive Workshops
- Demonstrations & Practice
- Role-plays & Simulations
- Micro-teaching & Feedback
- Case Studies
- Action Learning Projects

KEY TAKEAWAYS

Participants will become confident trainers, capable of designing, delivering, and evaluating engaging learning programs that drive behavior change, performance improvement, and business results.

Great Trainers Don't Just Deliver Information.
They Inspire Learning. Empower People. Drive Results.
